

Training Guidelines – Pricing Schedule

Materials:

We suggest a training room with the following materials:

Tables/Chairs	White Board
Easel Board with Paper	Markers
LCD overhead Projector	Multiple power outlets

Test Equipment

Customer agrees to supply test equipment for hands-on modules.

Network Equipment (Optional)

Always a PLUS! Actual network transmission equipment adds a great deal to training classes. This can be located at another location requiring minimum travel.

Training Manuals and Supplies

We provide training manuals for EACH student registered to participate in the class. Additional training manuals are available for a fee.

Training Manuals and associated PowerPoint presentations are available for sale or licensing agreement. Please ask for details.

Course Fees and Travel Expenses

Travel expenses are included in the standard training rate charged by DTS. The standard rate for each course is **\$295/day/student**.

- Minimum class size is 5 students Maximum class size 12 students
- There are no other fees.
- Course Discounts for Multiple Sessions. Discounts are offered for multiple class orders, when booked as a group.

Class dates will be scheduled upon receipt of an authorized Purchase Order from the customer.

Terms are net 30 days, with a 5% cash (excludes credit card payments) discount given for prompt payment of less than 15 days from date of invoice.

We accept Visa/MasterCard.
